

Vivamus Holds Hawaiian Luau

Caught in the gaiety of Saturday's Vivamus luau at Rio del Mar beach are, left to right, Angie Barcellos, Janice Chambers and Joanne O'Neill. (Bob Alread photo)

Student Delegates Attend Session

Eighteen students and two advisers will go to Diablo Valley college at Concord tomorrow to attend the California Junior College Student Government association conference.

Regional conferences are held in the fall and spring. The fall statewide convention will be held in November at Bakersfield. Five delegates and one advisor will represent Hartnell.

The main purpose of these conferences, according to Dr. Lionel Olsen, dean of student personnel, is to develop leadership abilities and provide experience with the democratic processes.

At tomorrow's conference, the agenda will be formed for the state convention. Students will be divided into workshops and resolutions will be proposed. Jane Ross, chairman of the Hartnell resolutions committee, will propose several resolutions.

Students and the workshops they will attend include: Janet Bryer and Joan Erickson, student government; Dianna Chin and Darnell Hershbach, current problems; Ed Gunther and Bob Ludlow, Northern region; Jim Huffman and Ethel Boutte, public relations; Ruben Rueda, finance; Fred Olin, publications; Bob Dickenson, veterans; Carl Bergeron, Wayne Handley, Jim Stireman and Verna Lipska, athletics; Lotus Zuckswert and Miss Ross, campus activities; Bill Throgmorton, student body president.

Miss June Handley, dean of women, and Dr. Olsen will accompany the student delegation.

Women Graduated As Special Nurses In Fifth Class Here

Fourteen Hartnell women students were graduated recently with the college's fifth class of licensed vocational nurses.

Graduates included Mrs. Lucile Salvador, Mrs. Sadie Simpson, Mrs. Angles S. Tapia, Beverly Sampson, Peggy O'Farrell, Mrs. Lillian Kinser, Mrs. Betty Jones, Annie Coleman, Mrs. Jacqueline Dillon, Mrs. Janet Delappe, Mrs. Lydia Fletcher, Mrs. Loretta Maderios, Mrs. Geraldine Mathe and Mrs. Juliette Mattox.

Grades Forecast Chem. Success

By Dave Wynne

High school chemistry and high school algebra grades are judged the best predictors for success of students in junior college chemistry, according to an article written by two Hartnell college staff members.

In collaboration with Mr. William E. Kunhart, now of Long Beach City college, Dr. Lionel Olsen, dean of student personnel, and Mr. Roger S. Gammons, instructor in mathematics at Hartnell, wrote an article entitled, "Predicting Success of Junior College Students in Introductory Chemistry," which appeared in the August, 1958, issue of the "Journal of Chemical Education."

The article reports a study to determine the best predictor of success in Chemistry 1A. High school chemistry grades, high school algebra grades, and the American Council of Education Psychological examination were studied. High school records from 19 different schools were examined.

Though high school chemistry and high school algebra grades were said to be the best predictors for success in chemistry, none of the predictive factors had a high enough correlation that they could be used by instructors and counselors without considerable qualification, Dr. Olsen explained.

College staff personnel were advised by the authors to remember two important variables affecting all studies involving the prediction of scholastic success from one school level to another. These are maturation and the great variation in the individual institution's grading policies.

Tabby, Tabbyette Carry on Tradition Of Years' Standing

Have you ever noticed the feline couple which is present at all the rallies and football games? In case you have never been formally introduced to them, they are "Tabby" and "Tabbyette," Hartnell college mascots.

"Tabby," the large masculine panther, was first introduced at Hartnell about 10 years ago. The demure feminine one is called "Tabbyette," and she has been showing up for the past three years.

"Tabby" refuses to tell where "Tabbyette" comes from. All he says is, "I found her; she's mine." However, rumor tells us she comes from either Chews ridge, Chualar canyon, or possibly from one of Tabby's ribs.

Although our charming couple remains a mystery each year, they make a welcome and delightful addition to the Hartnell rooting section.

Vivamus Holds Initial Outing At S.C. Beach

Dum Vivamus Vivamus held its first social event, an Hawaiian luau, Saturday at Rio del Mar beach. The beach was decorated with palm leaves, Pajane lanterns, flowers and open fires. Everyone received leis.

The meal included roast chicken, salads, beans, fruits and relish. The entertainment included music by the Hawaiian students, Val Marciel, Fred Char and Ed Clark. Jim Dillingham played his steel guitar.

The party lasted from noon until 7:30 p.m. Recreation included volleyball, dancing, singing and beach sports.

Mr. Nelson Attends Electronics Meeting

Mr. Dennis Nelson, Hartnell A and M instructor in radio and electronics, attended a recent electronics conference at Foothill college.

The session was held to give instructors a chance to meet with representatives of the electronics industry to discuss training needs. They emphasized the need for a good background in mathematics and science.

Many SHS Alumni Enroll at Hartnell

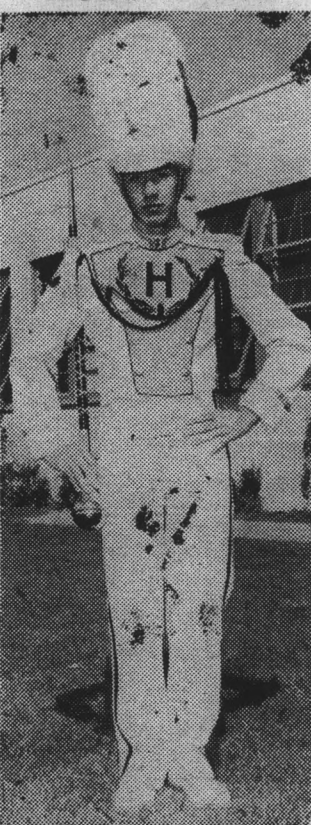

Thirty-four per cent of the graduates of the class of 1958 at Salinas high school have entered Hartnell this fall, according to Mr. Stuart Dufour, Hartnell vice-president.

According to Mr. Dufour, 168 out of 493 1958 graduates were attending Hartnell when enrollment closed.

Alumni Reunion Plans Changed

The homecoming game has been changed from Nov. 8 to Thanksgiving day when Hartnell meets Monterey. Along with the changing of the game date, homecoming festivities have been altered.

Heads Band

Tom Taylor of Watsonville has been elected drum major by the members of the Hartnell college band. He will serve as student leader of the musicians for the balance of the semester.

New Instructor Joins Faculty

Miss Anna Beck, a registered nurse, is a new instructor in vocational nursing. She is assisting Miss Helen Underwood.

Miss Beck received a bachelor degree and a degree in nursing education from Pacific Union college in 1950.

Before coming to Hartnell, Miss Beck taught at Fresno General hospital school of nursing and at the San Joaquin General hospital school of nursing in Stockton.

S.F. State Receives Hartnell Graduates

Twelve 1958 Hartnell college graduates are attending San Francisco State college. They are Sandra Lim, Marion Lewis, Joan Blacklock, Julie Ekelin, Edith McGowan, Anita Clark, Laurietta Parsh, Jane Yamaguchi, Diane Nichols, Zenaida Rocamora, John Nardone and Edmund Lee.

Three of the women students were recipients of scholarship awards during their graduation (Continued on Page 2)

The homecoming queen candidates will be presented at a rally on Nov. 14. The election of the queen will be held Nov. 24 and 25. The coronation of the queen will take place on Nov. 26. The queen and her four attendants will reign over all homecoming activities.

Prior to the game, the alumni breakfast will be held at Berdell's. The class of 1948 will be honored. After the breakfast, a parade down Main street, led by Grand Marshal Harry Flint, who also organized the bonfire rally and parade, will be held. (Continued on Page 2)

Tartars Agree To Buy Banner

Compton college officials have agreed to replace the Hartnell college banner that was taken from the Hartnell rooting section and destroyed by Compton rooters during the Oct. 4 football game at Compton.

Because Compton agreed to pay for the banner before any action was taken by Hartnell, the student commission Tuesday noon agreed not to seek restitution for other damages incurred at the game. "Tabby," the Hartnell mascot, temporarily lost his head, and it was partially destroyed. A bandsman's hat and one drum stick were lost and several yell leaders' megaphones were damaged.

Attending the game were about 50 rooters, the cheerleaders, the pompon girls and the band. Two groups traveled nearly 800 miles in school buses which were decorated with banners. Two buses left Salinas at 8:15 a.m. Saturday and returned about 9 a.m. Sunday.

"As You Like It" Casting Completed

Casting for the Hartnell college-community playhouse production, "As You Like It," has been completed, according to Mr. Hal Ulrici, director.

Latest additions to the cast are Helen Moran, William Pacheco, William Whitney and Tommy Tanner.

Already announced as cast members were Robert Grossman, Robert Yost, Walter Leinke, Harold Tomasi, Lynne Tavernetti, Ruth Eldred, Elizabeth Everton, George Whitney and Daniel Marsh.

Dates of the production are Nov. 6, 7 and 8 in the campus Little theater.

EDITORIAL

Freedom Should be Appreciated

Often, we tend to render only lip service unto conspicuously tangible things and miserably fail to recognize their inherent individual, national and even worldwide, implications.

We can never appreciably realize what we have until we have them no longer.

This is naturally true of one of four of our safeguards, freedom of the press, which was celebrated with "Your Newspaper Week" a fortnight ago.

While we take the press for granted more often than not, it never fails us. True, it is a living torch that lights the darkest of roads, yours and ours. If we do not extinguish its beaconing flame, we have carried its intended mission one more step forward.

That this fall suggests a fairly rosy Hartnell year is our most optimistic judgment.

BANNER YEAR AHEAD

Hartnell's collective morale has never been higher in recent years. We point proudly to active student government participation, campus club functionings, including homecoming projects, Mr. Robert Lee's marching band, and last, but most of all, Coach Ken Blue's mighty Panther eleven, as true gauges of our insatiable optimism.

To them, individually and collectively, we say, You're on the beam . . . Carry on!

Four Busloads
Going to Game
At Pittsburg

Hartnell will send four buses, two containing student rooters, one filled with alumni and one holding the Hartnell band, to Diablo Valley tomorrow as the Panther eleven tries for its fourth straight win of the season.

The cost for students is \$2.10. About 350 rooters are expected, and they will sit in a special section on the 50-yard line. The rooters will leave early tomorrow afternoon. They will be led by head yell leader, Ron Welch. He will be assisted by Ramona Insular and Mel Kirkpatrick. The Hartnell band will play at halftime.

KAMPUS KORNER

Big Beach Hawaiian Party
Helps Launch New Club

By Jan Bryer

Hawaiian craze has hit Hartnell. For the past few years, the bigger colleges have been going Hawaiian at their parties. It seems to be popular with the students. Hartnell is not to be left behind.

Saturday, in honor of the victory over Compton college, the new Dum Vivimus Vivamus (Let's Live While We Live) society, held an Hawaiian luau at Rio del Mar beach. Concensus was, it turned out to be the most successful off-the-campus get-together Hartnell has seen in many moons.

The Vivimus officers, Bob "Hank" Tompson, president, and Gary Keith, vice-president, along with other progressive students and organizers on campus, lined up a program of entertainment which included a first-class Hawaiian atmosphere of palm trees, lanterns, leis and everything that's Hawaiian.

The "Beach Boys," Hartnell's own Hawaiian singing trio—Val Marciel, Fred Char and El Clark—will probably be making records in the near future. They wowed some 85 students and their faculty sponsors. Also playing his "rock 'n roll" guitar was "Root-e-Toot-Toot" Hoot—Jim Dillingham—who really shook the place up.

Many students took advantage of the warm weather and the freezy waters of the Pacific. They kept the volleyball courts "hot" playing "jungle ball." "Jungle Ball"?

The food must have been great. It was gone by the time many students, including yours truly, arrived. Roast chicken with potato salad and beans was the main course. It was served on surf boards. Raw sardines (ugh!) served with crackers, Hawaiian punch, melons and pineapples filled out the rest of the menu.

One Hawaiian male expressed his appreciation of the "great grub" by saying "Awag mogu boaba," meaning, "Good, good chow!"

You would have sworn you were on the beach at Maui from the number of mau-maus in evidence on the fairer sex. They looked like professional beachcombers. Some of them probably are.

Contrary to rumors, Dr. O. did not go swimming in his BVD's.

The Dum Vivimus Vivamus society wishes to thank Mr. Joseph Bragdon, Mr. Walter Leineke and Dr. Lionel Olsen for doing a swell job in the chaperone department. All students hope there will be more such functions.

In closing, remember the Vivamus motto: "Keep smiling, and patronize your local grocery store."

A PS to my Vivamus brothers, if you must have progressive parties, will you please pass out maps!

ALUMNI . . .

(Continued From Page 1)

There will be four floats in the parade, and a trophy will be awarded for the outstanding float. Flint is now organizing a panel of judges. The floats will include a queen's float, on which the queen and her attendants will ride; a float to welcome the alumni, a float honoring the football team, and a band float on which the members of the band will ride.

Also in the parade will be all the queen candidates, each riding in a convertible.

Drama Club Selects
Queen Contestant

Caron Schneider has been selected as the homecoming queen candidate for the Drama club. The group plans an active campaign in order to make it two years in a row that the Drama candidate has been elected. The club is giving a dance after the Vallejo game Oct. 25.

Pre-game Pep Rally
Highlights Fashions

There will be a pep rally at 11 a.m. today in the men's gym. This will be a regular rally before the Hartnell-Diablo Valley game tomorrow night.

Featured at the rally will be the pompon girls, the yell leaders, "Tabby" and the "Tabbyette."

Highlighting the rally will be a "fashion show" with Diana Chin as the commentator.

According to Miss Chin, the "fashion show" will have the newest fashions, including the chemise and the trapeze.

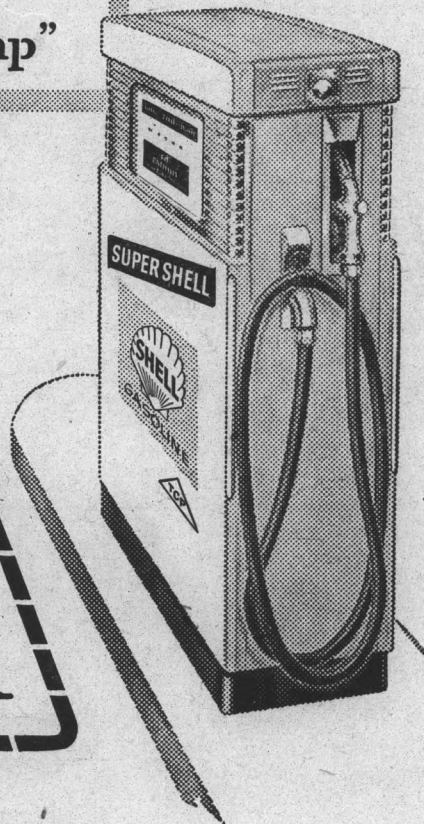

S.F. STATE . . .

ceremony last June. Miss Lim won the World Affairs council's scholarship and the Alisal chapter of the California Teachers' Association award. Miss Blacklock received a scholarship from American Association of University women, and Miss Lewis received a scholarship award from Alisal chapter of the California Teachers' association.

"Get rid of Spark Plug 'Miss'—
greatest cause of power loss.
Put your car next to the
New White Pump"

TCP
adds
Anti-Miss
to
anti-knock

WHY SETTLE for "part-time" performance from your car? Why put up with lazy power on hills, on get-aways? Instead, drive up to the new white pump at your Shell Dealer's and fill up with Super Shell with TCP*. TCP adds anti-miss to anti-knock.

Spark plug "miss" is the greatest cause of power loss today! It can rob you of 20 to 30 horsepower.

This "miss" is caused by harmful deposits that short-circuit the spark plugs—keep them from firing the fuel charge. But TCP additive neutralizes these deposits, stops misfiring and restores lost horsepower.

And don't forget that new Super Shell contains aviation fuel ingredients that give it higher octane for anti-knock—extra energy for better mileage.

So with anti-miss, anti-knock, and better mileage, too—doesn't it make sense to get Super Shell.

*Shell's Trademark for this unique gasoline additive developed by Shell Research.

Totally New **Super Shell** with TCP

The most powerful gasoline any car can use—Plus TCP for Anti-Miss

Nine Alaskan Students Enroll, Five Tryout for Hoop Sport

By Phyllis Buchanan

The 49th state is represented at Hartnell this year for the first time in the history of the college. The nine Alaskan students attending are Irene Forsythe and Jo Ann Sievers, from Valdez, a town about 300 miles from Anchorage; and Duane Schneider, Gerald Smith, Dennis Davidson, Truman Bankston, Richard Hile, Jack Victor and Joel Loundsberry, all from Anchorage.

The seven men, most of whom chose Hartnell at the suggestion of their high school coach, are taking varied courses with three or four majoring in business administration and minor in physical education.

Their Alaskan coach, Bill Martinson, attended Hartnell in 1940 and was active in football, basketball and track. Martinson was instructed by Mr. G. Ed Adams, director of athletics, when he attended Hartnell.

Smith, Davidson, Bankston, Schneider and Hile are basketball candidates; the latter two also will try out for baseball. According to Coach Adams, these men will be the mainstays of the basketball team.

Salinas Priest Talks At Newman Meeting

The Rev. Dino Riccomini discussed education and religious instructions during the first Newman club meeting Oct. 3 in Sacred Heart parish hall.

Special speaker of the evening was Jack Marcal, who talked about the Newman club and its purpose.

Gene Marquess, temporary chairman, announced that elections will be held at the next meeting.

For entertainment a hula hoop contest was held. The main attraction was Mr. Randall Decker, club advisor, who tried unsuccessfully to operate the hula hoop.

Refreshments and dancing followed the contest.

Botany Class Visits Redwood Tree Area

The Botany I class recently went on a field trip to the Felton area. Mr. W. J. Robinson and 22 students made the trip for the purpose of getting acquainted with plants in the redwood tree forest.

The group stopped at Graham hill to observe the ponderosa pine forest and visited the Mount Herman area to study the plant life connected with the streams. They had lunch at the Henry Cowell Redwoods state park where they observed the different ways redwood trees have adapted themselves to the environment and what effects the environment has had on the trees.

Coast Elevens Show Strength In Early Tilts

The Hartnell Panthers are not the only members of the Coast conference doing well this year. San Jose City college has a record of three wins and one loss, that loss being a 28-26 decision to unbeaten College of San Mateo.

Vallejo's only loss was to undefeated Santa Rosa in an 8-6 squeaker. Vallejo has won three games. Hartnell's neighbor, Monterey Peninsula college, has four wins, no losses.

Menlo has won two of three games played. Diablo Valley has lost all four of its non-league games.

Conference competition begins this week end for all teams.

Ex-Hartnell Student Gets Speaking Part In New Lewis Show

Bette Eckerson, former Hartnell student now performing in the cast of "Damn Yankees" at the Wharf theater, has been granted a speaking part in the new Jerry Lewis picture, "Don't Give Up the Ship," according to an article in the Monterey Peninsula Herald.

Miss Eckerson was discovered by Producer Hal Wallis when he attended the play in Monterey. She was slated for interviews by Hollywood directors this week, but shooting of her part of the picture will not begin until November.

Holliday Elected

William Holliday has been elected president of Hartnell's Education club. Other officers are Judie Fry, vice-president; Sharon Tedrick, secretary-treasurer; Mrs. Daphne Shields, ICC representative; Sandra Eagleson, alternate representative, and Betty Lionel, publicity chairman.

Off the Wall

Tappers Meet Daily

By MAL

Cafeteria Chatter: Do you belong to the N.J.C.S.T.T.M.? For those of you who aren't in the know, that's the National Junior College Society of Table Tappers to Music. Meetings are held daily in ye olde cafeteria. To join, slip a coin of the realm into the juke, find a table, and take off. Big outfit, this. Closely affiliated with the National Junior College Society of Body Wigglers to Music.

Nice People Seen About: Lissi Dalager, foreign student from Denmark. She's nice to talk to, and you fellows will just love her accent.

It Only Hurts When I Laugh Dept.: Those little exams, both coming up and just past. "But teacher, we did study. Can we help it if we have a poor memory?"

Game Time: Team looks better all the time. Rooters sounded better this last Saturday but we need more. Drop by, you'll like it.

Open Question: Seen the posters in the hall and cafeteria? Who or what is this Duke character? And what does he like so well? Anyone know anything about this?

Barbecue Held

The annual Art club barbecue was held Oct. 9 at the home of Mr. and Mrs. Leon Amyx.

Harriers Top Vikes, Garcia Leads Field

The Hartnell Panthers opened their 1958 cross-country season with a 25-32 victory over Diablo Valley at the Hartnell college A and M course last week.

Rudy Garcia starred for the Panthers. He grabbed first place by running over the 2.6 mile course in 14 minutes and 21 seconds. Less points are awarded for finishing first, so the Panthers took the 25 points to Diablo Valley's 32.

B. Kurtz of the visitors placed second, seven seconds behind Garcia, and D. Jordan of DV was third.

Hartnell's Bruce Logan was fourth, Keith Miller was fifth, and Gary Russell eighth. D. Antesky of DV was sixth. Also running for Hartnell were Truman Bankston, Richard Fleming and Michael Gleeson.

The harriers will renew the rivalry with Diablo Valley at Pittsburg tomorrow when they travel with the football team.

Theater Pass Cards Offered to Students

The freshman and sophomore classes are selling Fox theater pass cards. These passes are sold in the student finance office from 11:30 a.m. to 1 p.m.

The card holder is entitled to one free admission to any Fox theater in the area. After the first admission the card holder will be charged 75 cents instead of the usual 90 cents for admission. The card is not void until June 30.

Diablo and Hartnell Clash Tomorrow

The Hartnell Panthers begin their drive for the Coast Conference title when they meet Diablo Valley tomorrow night at Pittsburg high school field.

Hartnell, undefeated to date, has won four of seven games previously played against the Diablo Valley Vikings, who are winless so far this year.

Coach Ken Blue expects to see all injured player ready for the game with the exception of Hal Turner, Gary Harris and possibly Dick Hardy.

Panthers Gregg Reidenbach and Bud Bosworth could be playing their first junior college football game Saturday. Both were injured before the season opened.

Coach Blue also stated that Diablo Valley, formerly East Contra Costa, in spite of its record has a fairly good team. The team uses a winged "T" formation and plays power-type football.

GREG'S GRIPES

Dick Voris Now Virginia Coach

By Jim Gregory

Remember Dick Voris? He was head coach at Hartnell when the Panthers went to the Junior Rose bowl and is now the head football coach at University of Virginia.

His team was picked to finish eighth in a league of eight. That was in early September. Since then Virginia has played four teams. They lost to Clemson, the team ranked number one in the conference, by a score of 20-15. They then beat third-ranked Duke, 15-12, a big upset. They lost to North Carolina State by a score of 26-14, and to Virginia Tech 22-13. Three losses in four games.

This record may not look so good, but when you realize the Virginians weren't supposed to win at all and then look at the scores, the record doesn't seem so bad. Virginia may not go to the Rose bowl, but there's a good chance the Cavaliers will stay out of last place in the Atlantic Coast conference.

We see Tony Teresa, Hartnell's Rose bowl quarterback, will be assisting Coach Ken Blue with the Panthers and student teaching at the high school. It's too bad Tony was dropped from the San Francisco 49'ers, but maybe it was a stroke of luck for Hartnell. However,

Trainer Helps Hart Gridders

Physiotherapist B. E. Hartsook is spending his second season at Hartnell filling the job of football team trainer.

Hartsook's job is not out on the field helping the players learn the do's and don'ts of football but in the gym where the men come after practices and games with bashed, bruised and broken bones. After the players have been examined by physicians, Trainer Hartsook makes sure they follow recommendations of the doctors.

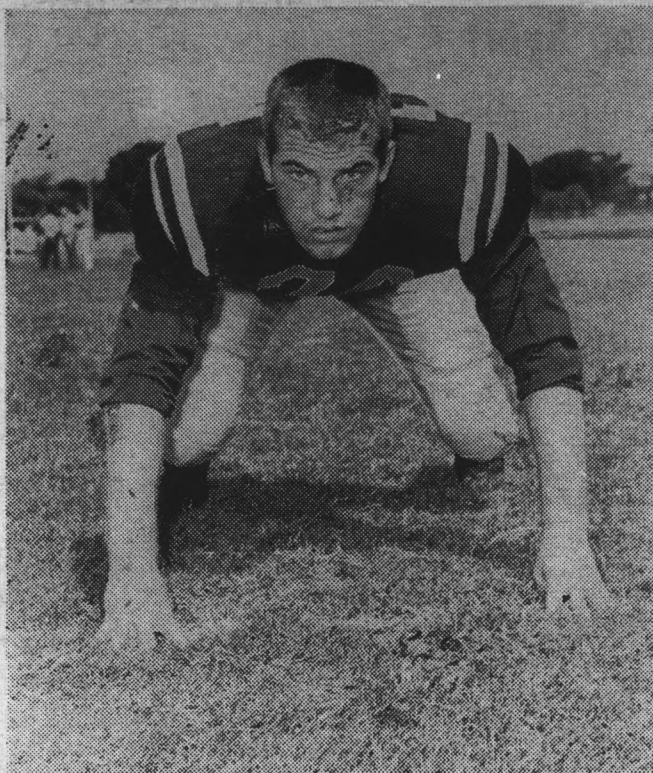

During World War II, Hartsook was a pilot for the navy. He fought in the Pacific and in the battle of the Philippine sea. He attended Arizona State college before the war and received his AB degree. Upon his discharge he went to the University of California for three years and to Stanford for one year before being graduated as a physiotherapist.

Hartsook is married and the father of two children. He plays tennis with the Salinas Tennis club and is also interested in boating.

The physiotherapist works two hours a day during football season and attends all games. According to Coach Ed Adams, Hartsook knows his business and is a great asset to the team.

with the type of defensive ball the city boys have been playing in the past two games, Tony may not be with us for long.

Leads Panther Linemen

■ Bob Harrison, 225-pound Gilroy tackle, has been the anchor man of a rugged Hartnell first team line which has held its opponents scoreless so far this season.

Panthers Down Compton, 35-6

A Panther victory of 35-6 was the result of Hartnell's encounter with the Compton Tartars Oct. 4 at Compton. Hartnell's squad scored 446 yards rushing to the Tartars' 86 and made 23 first downs to the Tartars 6.

In the first period of play, Bob Cabanyog scored the first of three Panther touchdowns. Dick Juarez made the second and a 14-yard pass from Wayne Handley to Julian Aguilar made the score 21-0 as the second quarter began.

Compton's only points were made in the second quarter, and the Panthers came up with another TD when Jim Stireman went over the line.

Sign-up Under Way For Sports Outing

Hartnell college will participate in a coed sports day Oct. 25 at San Francisco City college. Activities will begin at 9:15 a.m.

Activities will include coed archery, tennis, bowling, volleyball and badminton. Basketball will be a sport for women only.

Approximately 35 students

Cabanyog Still Leads in Total Yards Gained

Sophomore Halfback Bob Cabanyog has averaged 8.4 yards per carry for a total of 234 net yards gained this season in the first three games. Fullback Jim Stireman gained 133 yards in the Compton game to raise his total to 171 yards for an average of 5.8. Dick Juarez has 112 yards gained, while Wayne Handley has 79 yards gained, although each has a 4-yard average.

Handley tops the passing list with 11 completed out of 15 for 199 yards gained at a 13.2 average per pass. Cabanyog is still the top scorer with four touchdowns scored and eight conversions for a total of 32 points. Four players have scored 12 points each to tie for second.

The Panthers have piled up a three game total of 119 points for a 39.6 average while holding their opponents to a total of 25 points for an 8.3 average. The Hartnell first team has not been scored upon.

have signed up for the sports day. They will take their own lunch but everything else will be free.
